

Senior Portraits

Hello, this is Phil Britton, assistant principal at Wheaton Warrenville South High School, with a message for the parents of all juniors. This is the time of year when you will begin to receive information regarding senior portraits from a number of photographers including Root Studios, our official yearbook photographer. Although you are under no obligation to purchase any package from them, the only picture that will appear in the yearbook will be the picture that is done by Root Studios. They will be mailing notices of scheduled appointments to have pictures taken at their studio in Naperville. Please save that notice, so that you'll have the information that you need in order to have the picture taken. If that time is inconvenient, please contact the studio directly to reschedule the appointment.
